Affordable style is the inspiration behind every KraftLine Pro Series cabinet. This collection features some of the most popular styles and finishes for today's homes. KraftLine Pro Series offers the perfect solution when you want to create a stylish look with great storage in the kitchen, bath or laundry room – at a great value.

KraftLine Pro Series offers three door styles in maple, birch and white thermofoil, all in today's most attractive finishes. Solid, quality construction and concealed hinges make KraftLine a stylish choice at an optimum value. Each cabinet is delivered fully assembled and ready for installation, with quick lead times to ensure it is there when you need it. All KraftLine Pro Series cabinetry is made in the USA and available exclusively through authorized KraftLine dealers.

Style, quality, and convenience...Kraftline gives you more of everything for less.
